

# Carriage House Door

C O M P A N Y

## Manufacturer's Certification Statement

**Carriage House Door Company certifies that the listed products are eligible for the Federal Energy Tax Credit\* as amended and expanded under the American Recovery and Reinvestment Act of 2009.**

- All Carriage House Door Company Wood Door Collections constructed with polystyrene insulation.
- All Carriage House Door Company Steel Door Collections constructed with polystyrene insulation using 2" thick steel back sections.

\*In order to receive this credit, doors must be installed with vinyl stop on sides and top of door opening with astragal on bottom of garage door to control air infiltration. **Credit is not valid on new home construction.**

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true and correct.

Gary Singley  
President  
Carriage House Door Company
