COMPANY

FIRE-RATED DOORS

CARRIAGE HOUSE DOORS ARE FIRE RATED

We now offer fire-rated custom wood doors that meet the guidelines required by the State of California Fire Marshall's Office. Carriage House doors were tested in accordance with SFM Standards 12-7A-1 for exterior wall siding and sheathing. Our doors were found to have successfully met the conditions of specified acceptance. Carriage House fire-rated doors are available in a number of materials including Western Red Cedar, STK Incense Cedar, 5/8" MDO, Mahogany, Douglas Fir, Redwood, 5/8" Breckenridge, 1/2" Marine Mahogany, and Steel.

We are proud to offer superior products that offer a level of protection seldom found in competing doors. For more information, contact a Carriage House Door Company representative: West Coast: 866-890-1776 | East Coast & Midwest: 877-668-1601
